

Shut down research into nuclear and conventional weaponry!
Stop military recruiting, silence apologists for Amerikan war criminals!

U.\$. Military Off Of Our Campus!

An Anti-Militarist Forum 10 November, 7:00 p.m. UCSB Multicultural Center

With presentations by:

Gaverick Metheny from the People's Education Network on military research at the UCs, such as UC management of nuclear weapons facilities at Los Alamos and Livermore;

Speakers from the Revolutionary Anti-Imperialist League and the Maoist Internationalist Movement on CIA, NSC, and DIA research and recruitment on campus--- and why socialism can guarantee funding for basic science research and pro-people applications without tying it to military research;

And more!
