

## Donate Books for Prisoners

Please donate books and money to MIM's free Books for Prisoners program. This program helps prisoners use their time under lock & key to develop their politics and build with us toward a more just and productive society.

The prisons system calls itself the "Department of Corrections." But with education programs all but eliminated in prisons, the first thing that needs correcting is the state's view of how to help prisoners find a better life outside of prison.

MIM sends in books and journals on politics, history, law and anti-imperialist struggles to prisoners, prisoner study groups and prison libraries. Books we collect that don't fit this description are either passed on to the Prison Book Program (another program based in Boston) or are sold to raise funds to send in other literature.
