GREAT AMERIKAN TERRORISTS

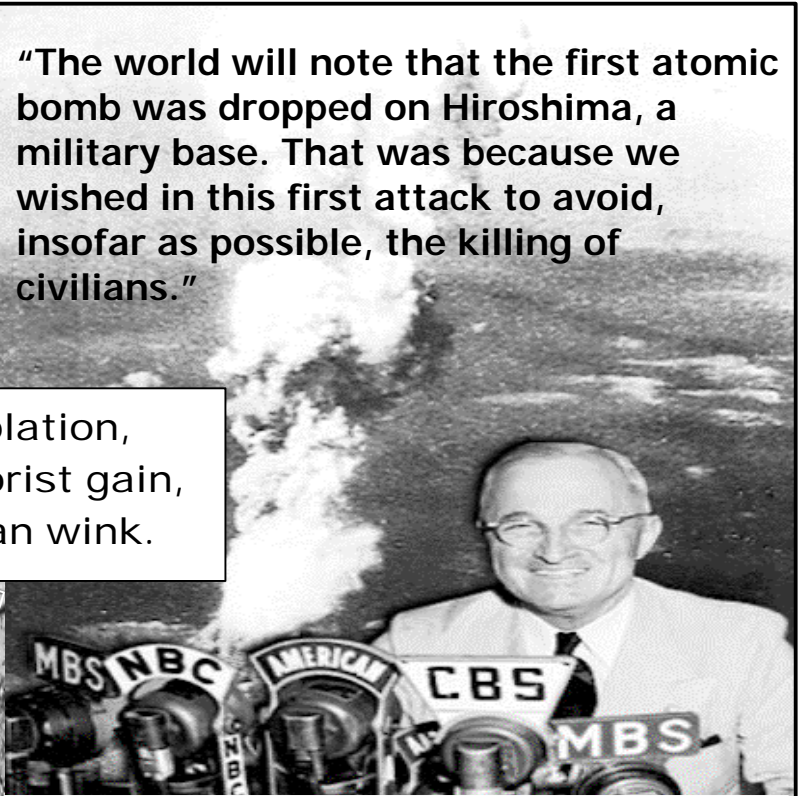

ON PARADE

HARRY T.
THE
HOMICIDAL
HAYSEED

"The world will note that the first atomic bomb was dropped on Hiroshima, a military base. That was because we wished in this first attack to avoid, insofar as possible, the killing of civilians."

Instantaneous mass civilian immolation, perpetrated strictly for state terrorist gain, and all with a down-home amerikan wink.

<u>Incinerated</u>	<u>Maimed</u>
Hiroshima 70,000	Hiroshima 70,000
Nagasaki 40,000	Nagasaki 60,000

For Targeting of Civilians: The u\$ chose cities for obliteration *precisely because* they were not high priority military nor industrial centers and had not been spared u\$ bombing. They thus remained densely populated cities which would best show the destructive power of u\$ nuclear weapons in this terroristic 'demonstration project.'

Terrorizing Not Japan But the World: Japan had been trying to surrender for months. The u\$ delayed responding and prolonged the war *in order to use nuclear terror on Japanese civilians*. The actual target of this display of terror was the socialist Soviet Union and all other peoples opposing the ruthless expansion of imperialist amerikan empire.

Amerikans get the right to condemn pale imitations of their own state's unmatched global terrorism after they end that imperialist state, not before.

- NOTES: 1 - For more on who has the right to condemn terrorism, see <http://www.etext.org/Politics/MIM/mn/mn270.pdf>
 2 - Contact RAIL for full documentation of any above factual assertions – this is after all only a poster.
 3 - While the Great Amerikan Terrorists series often spotlights individuals, RAIL does not mean to slight the countless parasitic amerikans who contributed to this terrorist carnage, or the capitalist economic and political system which makes it all possible, and necessary.
