BUTCHER NATIONS ELECT BUTCHERS NO EXCEPTIONS

*RAIL is aware that we have already addressed US mass immolation of Japanese civilians to terrorize the then socialist Soviet Union. This barbarism was the subject of our flier "Great Amerikan Terrorists on Parade." Unfortunately, amerikans are so shit-brained over the trinkets of empire that only a minority will care that their material privileges require such terror, and then only after multiple exposures to this fact. So don't blame RAIL for having to repeat ourselves.
