

WE DEMAND END TO CENSORSHIP FOR POLITICAL REASONS IN INDIANA PRISONS!

I demand the IDOC to stop the censorship of mail sent to Indiana Prisoners under the false guise of promoting “Security Threat Groups” and accusations of lacing mail with drugs. These claims have been proven to be unsubstantiated. This is a clear violation of Prisoners’ First Amendment rights denying them access to personal, political, religious and legal materials.

I am writing to implore you to follow the law and stop the politically-motivated censorship of mail within the IDOC.
