

Educate to Liberate! Educate to Liberate!

Join the United Front
The United Front for Peace in Prisons recently held a day of solidarity across the country. Without members on the outside prisoners cannot organize across such boundaries (see other side).

The Student - Prisoner Connection
Both groups have many intellectually minded members, and both have a strong interest in creating a better world. As the state works to isolate prisoners and commercialize education, we work to rebuild this once vibrant alliance for social justice.

Help Us

- Send Free Books to Prisoners
- Publish a Newsletter written/illustrated by/for prisoners
- Run Revolutionary Study Groups in Prisons
- Support Released Prisoners
- Fight Censorship/Repression
- Bring the voices of those locked down to the outside through video, web, agitational work

United Front Statement of Principles

- ★ **PEACE:** WE organize to end the needless conflicts and violence within the U.S. prison environment. The oppressors use divide and conquer strategies so that we fight each other instead of them. We will stand together and defend ourselves from oppression.
- ★ **UNITY:** WE strive to unite with those facing the same struggles as us for our common interests. To maintain unity we have to keep an open line of networking and communication, and ensure we address any situation with true facts. This is needed because of how the pigs utilize tactics such as rumors, snitches and fake communications to divide and keep division among the oppressed. The pigs see the end of their control within our unity.
- ★ **GROWTH:** WE recognize the importance of education and freedom to grow in order to build real unity. We support members within our organization who leave and embrace other political organizations and concepts that are within the anti-imperialist struggle. Everyone should get in where they fit in. Similarly, we recognize the right of comrades to leave our organization if we fail to live up to the principles and purpose of the United Front for Peace in Prisons.
- ★ **INTERNATIONALISM:** WE struggle for the liberation of all oppressed people. While we are often referred to as “minorities” in this country, and we often find those who are in the same boat as us opposing us, our confidence in achieving our mission comes from our unity with all oppressed nations who represent the vast majority globally. We cannot liberate ourselves when participating in the oppression of other nations.
- ★ **INDEPENDENCE:** WE build our own institutions and programs independent of the United States government and all its branches, right down to the local police, because this system does not serve us. By developing independent power through these institutions we do not need to compromise our goals.
