RE: Publication Appeal Decision

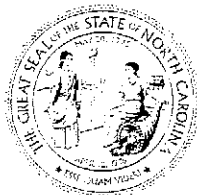

This letter is to advise you that the following issue of publication appeal has been received and reviewed:
Under Lock & Key Winter 2024 #84.

After careful review and consideration of your appeal, it has been determined that this publication should be removed the Master List of Disapproved Publications. Please note that this reversal is only applicable to the pages that were reviewed. Therefore, if there are any other pages not listed that contains material that violates North Carolina Division of Institutions policy, it may be grounds for disapproval of the entire publication.

Thank you
