REASON FOR APPEAL

I am being denied access to this newsletter Publication of the Maoist Internationalist Ministry of Prisons "Under Lock and Key" and prison officials (Censorship Committee) working under color of state law refuse to give to me a publication that is already allowed to inmates at this institution as well as myself because I have received a publication without censorship.

Clearly there is a problem, because I also have been censored for magazines ordered that other inmates receive. Censorship is done on a case by case basis. Meaning that another prisoner can be allowed same book, magazine, newsletter, newspapers that I order but I cannot receive.

It is unconstitutional to treat me differently than other prisoners who order or receive publication that is the same thing. And I do have a copy of the Maoist International Ministry of Prisons "Under Lock and Key". That I received prior to one censored. Why am I ~~now~~ now being censored and no one else? Magazines, newsletters, etc? I would like to receive newsletter once again.
