FROM: Randy White, Warden *RW*

DATE: February 25, 2013

SUBJ: Mail Rejection

I reviewed your appeal of rejected mail and the pamphlet "Under Lock and Key". Contained within the cover and subsequent content of the publication were gang related symbols and references in violation of CPP 16.2, section II, H (5)(7). In review of the written correspondence and consideration of the facts as presented, it is my decision to deny your appeal.
