Dear

I am in receipt of your letter dated February 20, 2009 appealing mail restriction notice(s) 20628, 20629, 20630. It has been forwarded to me for a response.

The publications that were restricted were over one year old. Per DOC policy 450.100 (Mail for Offenders) "*Periodic publications over one year old will not be allowed.*" You have not provided any new information to overrule the facilities decision.

I support Captain Wineinger's decision to restriction and your appeal is denied.

You have 30 days from the receipt of this letter to advise the facility mailroom on how you wish to dispose of these publications. Otherwise the mailroom will dispose of them in accordance with the policy noted above.

Sincerely,

Richard Morgan, Director
Prisons Division
