G.P.M.,

OFFENDER PROGRAMS

Supposedly, I'm suppose to send you my grievance: LOG I.D. Number 0903195. I have exhausted all the mail room's appeals (levels) of some news letters that are over a year old. By D.O.C. Policy 450.100 personally affects me by denying my news letters. This Grievance coordinator won't process this grievance any way I write it, and now she is telling me to send it to you just to waste both our time. I have rewritten it many times as I have and do keep all the pink copies to prove it's used as a tactic delaying my due process. This is not an isolated case but is on going on LOG I.D. number 0901704 and LOG I.D. Number 0904201 as 0901704 deals with my life, health, and over all well being. I have a copy of the Policy and procedures manual Offender Grievance Program, and have read Doc Policy 550.100 Offender Grievance Program. Could you please tell me what I'm doing wrong?

Thank you,
