REQUEST

I am filing this informal grievance concerning the confiscation of my Under Lock + Key newsletter May/June 2013 No. 32 issue. The violation states it was deemed a threat for 2 reasons: (1) on page 6, it called an end to the torture of all prisons; and (2) MIM investigated as STG in Florida. Calling an end to the torture of prisons is a very noble cause. One would think the administration would support that. MIM is a political newsletter, not an STG. Other prison systems, like California, have not met with positive results trying to designate MIM an STG simply because they disagree with its views. Usually the courts side with the prisoner on this issue.

I am requesting the newsletter be delivered to me. Thank you.

All requests will be handled in one of the following ways: 1) Written Information or 2) Personal Interview. All informal grievances will be responded to in writing.

I am filing this concerning the confiscation of my mail, a newsletter Under lock & key, May/June 2013 No. 32 issue. The violation states it was deemed a threat for 2 reasons: (1) on page 6, it called for an end to the torture of all prisons; and (2) MIM investigated as STG in Florida. Calling an end to the torture of prisons in a very noble cause. One would think the administration would support that. MIM is a communist political newsletter, not an STG. Other prison systems, such as California, have not met with positive results trying to designate MIM an STG simply because they disagree with its views. Usually the courts side with the prisoner.

I am also an FCC prisoner and under Oregon Constitution Art. I. Sec. 8, I have a right to political material. I'm requesting the material be delivered to me.

Thank you.
