RE: Censorship of various magazines/newspapers at Taylor CI

Dear M _____

In response to your letter of March 23, 2014 I apologize for any confusion.

The package in question was sent to Taylor Correctional Institution where it was refused by the mail room because the package did not meet the requirements in Florida Administrative Code 33-210.101, Routine Mail. The Literature Review Committee has no authority under the Routine Mail rule. Nothing in the package was impounded for review by the Committee. Sgt. Smith would have made photocopies for the Committee only if he had impounded the contents under FAC 33-501.401 Admissible Reading Materials. As such, your letter of complaint in this matter dated March 6, 2014 should have gone to Taylor Correctional Institution.

Again, I apologize for not making myself clear in my letter of March 6, 2014.

Regards,

Martha Morrison
Library Services Administrator
Literature Review Committee
