Dear Sir or Madam:

The Missouri Department of Corrections has reviewed the March/April 2014 No. 37 issue of *Under Lock & Key* sent to multiple offenders at various department correctional facilities. This issue has been censored due to it containing information which can be used to instill violence or hatred among the offender population, and has been prohibited from being delivered within the relevant facilities.

If you desire, you may request an independent review of the Committee's determination by the Deputy Director of the Division of Adult Institutions. This request must be made in writing and mailed or faxed to the DAI Deputy Director at the address or facsimile number indicated below. Your request must be received by the DAI Deputy Director no later than thirty (30) calendar days following the date of this letter in order to be considered. The DAI Deputy Director's response will be the final decision.
