PART B - RESPONSE

INMATE NUMBER GRIEVANCE LOG NUMBER CURRENT INMATE LOCATION HOUSING LOCATION

Your administrative appeal has been reviewed and evaluated. You appeal the impoundment of the following publication:
UNDER LOCK AND KEY, JULY/AUGUST 2014, NO. 39.

On August 27, 2014 the Literature Review Committee reviewed the subject matter content in question submitted by the institution. It was determined to contain subject matter that is inadmissible per Rule 33-501.401(3)(g)(m).

The department may prohibit admission of materials or publications if they are determined to be detrimental to the safety, security, order or rehabilitative interests of a facility or would create a risk of disorder at that facility. Chapter 33-501.401, requires that publications be reviewed and a determination made by one institution. The determination made by that institution affects all other institutions; however, as a result of an individual institution's determination, all impounded publications are reviewed and either approved or rejected by the department's Literature Review Committee as required by rule. Therefore, the final determination is made by the department's Literature Review Committee and not by an individual institution or warden.

Impoundment/rejection of a publication based upon criteria contained within Ch.33-501.401 is not censorship.

Based on the above information your administrative appeal is denied.
