

is that none of the prisoners we are in contact with at Hughes Unit have confirmed receipt of our newsletter Under Lock & Key since Sept 2008, and we have reason to believe it is because they are being censored. In addition to our newsletters, personal letters from MIM have been censored by this facility under your supervision. Of the 20-some-odd pieces of mail we have sent into Hughes Unit, we have only received a handful of them returned to us. When it is returned, there is no information on the envelope that indicates why it was returned. We also believe that the prisoners are not being notified of this mail denial. Why is mail from MIM Distributors being censored? The actions your facility is taking are completely illegal, and we advise you to investigate the matter as soon as possible.

Grievance Response

Your complaint has been reviewed. When your magazine is not on the approved publications list and has questionable content, it is reviewed by the Mail System Coordinators Panel (MSCP). After the MSCP has reviewed the publication, an email is sent to the mailroom informing them whether the publication is approved or denied. If it is denied, the exact reason is provided for the mailroom to use on the denial notification (I-154). The Hughes Unit mailroom is processing your publications in accordance with Board Policy 03.91. No further action is necessary.
