Dear M

Per Directive 4572 "Media Review" all periodicals are subject to Review by the Facility Media Review Committee, however at one time your periodical was on the "Statewide disapproved vendors list" and it was returned via Correspondence. Please note I have reviewed an updated list from Central Office an I no longer see your periodical's name present. Furthermore, just for a point of information, anytime the Facility Media Review Committee may find material that is objectionable, the inmate has the right to appeal the facility decision to Central Office Media Review Committee (COMRC).

Please let me know if you have any further concerns on this matter as it relates to Cayuga Correctional Facility.

Sincerely,

A handwritten signature in black ink, appearing to read "Martin F. Raftis".
