Dear :

SUBJECT: Inmate Daniel Daffern, #46473

I am sorry for incorrectly viewing the letter addressed to Inmate Daffern as having come to the Prison without postage and then offering that as a possible reason why the letter had been returned to MIM. I inquired again with the Mail Room supervisor on specifically why that letter was returned with a stamp that read "Rejected violates policy"; however, she was unable to find documentation on the reason.

I have enclosed, as you requested, a copy of the Prison's correspondence policy and hope it will guide MIM in future correspondence with Inmate Daffern. If questions arise upon your reading it, please contact us.

Sincerely,

MONTANA STATE PRISON
