DISALLOWED LITERATURE/PUBLICATIONS

Dear :

This is in response to your correspondence to my office dated July 24, 2009, regarding the disallowed literature/publications from Maoist International Movement, (MIM Distributors).

High Desert State Prison has been directed to place a ban on all literature/publications sent by MIM. This direction came from a memorandum dated March 6, 2007, authored by Scott Kernan, Chief Deputy Secretary, Adult Operations, and has not been rescinded. We shall continue to ban MIM, as the safety and security of the institution is our first and utmost priority.

This institution has only received approximately ten correspondences from MIM Distributors and each has been returned upon receipt of the correspondence. The inmates that have received your correspondence were issued a CDCR-1819, Notification of Disapproval – Mail/Packages/Publication, and were given the opportunity to send the disallowed correspondence home, return to sender, or destroy.

If you have any further questions or concerns, you may contact M. Keating, Mailroom Sergeant, at (530) 251-5100 extension 5823.

Sincerely,

M. D. McDONALD
Warden (A)
