In regards to your enclosed Informal Complaint which I received 4/10/17:

If I understand your complaint correctly, you are complaining about mail that you claim was sent on between the dates of 10/10/16, and 2/6/17.

Your mail and property issues have been addressed to you in writing by central office on multiple occasions. I have nothing further to add to the findings of central office in regards to your incoming publications.

In the event that you do not find this answer satisfactory, I have included a Grievance form should you choose to continue forward with the 802 process.
