Dear

This is in response to your letter dated September 24, 2009, regarding the publication, *Under Lock & Key*, (Issue 9, July 2009), that was sent to inmate and rejected on August 10, 2009.

All publications are reviewed for content on a case by case basis. It was determined that the article in question was determined to be detrimental in a correctional setting. Articles that discuss or provide details of riots could encourage activities which may lead to the use of physical violence or group disruption. For this reason the publication, *Under Lock & Key*, (Issue 9, July 2009), will not be allowed in the institution.

I trust this response adequately addresses your concerns.

Sincerely,

A handwritten signature in black ink, appearing to read "Blake R. Davis".

**Blake R. Davis
Warden**
