RE: Publication Censorship

To Whom it May Concern:

I received your letter with complaints about eight publication censorships that allegedly occurred between October 2017 and December 2017. You stated that no notice of censorship was given for these eight publications and you believe it is a violation of due process rights.

Please provide the specific publications, issues and intended recipients for the publications in question. We will investigate your concerns.

Sincerely,

Douglas W. Burris
