Re: Publication Rejection Appeal for file number SAL-1217-126

To whom it may concern:

I am in receipt of your correspondence received February 23, 2018, in which you are appealing the rejection of *Under Lock & Key Issue 59*, which was sent to offender [REDACTED]. It has been forwarded to me for response.

Per Washington State DOC Policy 450.100 all publications rejected by any DOC correctional facility will be reviewed by the Publication Review Committee at DOC Headquarters. Mail Rejection Notice number SAL-1217-126 was reviewed on January 8, 2018 and was overturned by the committee. The publication issue was forwarded in to the offender January 24, 2018. A copy of the final decision notice should be forthcoming to you from Clallam Bay Corrections Center (CBCC).

In addition, you are correct that the rejection notice did not contain page numbers. Staff have been reminded to provide as much as information as possible on the rejection notices, to include page numbers. Thank you for bringing this to our attention.

Sincerely,

A handwritten signature in cursive script that reads "Tracy Schneider".
