RE: Impoundment and Rejection of "Under and Key, Issue 59"

Dear MIM Distributors:

I am in receipt of your letters of 2/12/2018 regarding "Under Lock and Key, Issue 59."

I will first address the impoundment of the copy meant for inmate [REDACTED], in which the institution cited FAC 33-501.401(3)(l) as it regards to stamps. The issue in question was reviewed by the Literature Review Committee (LRC) on 1/24/2018. The LRC did not find against the issue on the grounds of FAC 33-501.401(3)(l).

At the same meeting of the LRC they reviewed the impoundment of the copy meant for [REDACTED], in which the institution cited FAC 33-501.401(3)(m), which states:
"It otherwise presents a threat to the security, order or rehabilitative objectives of the correctional system or the safety of any person."

It was the decision of the LRC to uphold the institution's impoundment for the reason cited. This means it will not be allowed into any of our institutions.

Sincerely,

Dean Peterson, Library Services Administrator
