INSTRUCTIONS:

1. Refer to the DC-ADM 804 for procedures on the inmate grievance system.
2. State your grievance in Block A in a brief and understandable manner.
3. List in Block B any action you may have taken to resolve this matter. Be sure to include the identity of staff members you have contacted.

A. Provide a brief, clear statement of your grievance. Additional paper may be used, maximum two pages (one DC-804 form and one one-sided 8 1/2" x 11" page). State all relief that you are seeking.

ON or about 8-14-18 I received the attached denial from IPRC. It was denied on 8-9-18. I am appealing the denial. It was denied based off a claim that the publication is on the banned list. The jail decision to put the entire publication on the banned list, violates first and 8th amendment. The publication expresses political belief of leftist socialist and does not create a security concern in every issue. certain issues/volumes have been denied due to an issue having security concerns but it is not every issue. This violates *Sastre v. McGinnis* 1442 F.2d 178 (2d cir. 1970) and *Abu Samal v. Price* 154 F.3d 128 (3d cir 1998). You can't deny the publication based on political beliefs. I request I be given the publication. (I request I be given back the attached denial form due to the lack of avenue to make a copies. The library does not come and get copies for me. I have 15 days, and do not have time to get a copy. I need a copy for the last level of appeal.)

B. List actions taken and staff you have contacted, before submitting this grievance.

I wrote to the Facility Manager and spoke to the K110 Staff officials

Your grievance has been received and will be processed in accordance with DC-ADM 804.
