Dear

We received your appeal of the impoundment of Issue 11 of Under Lock and Key dated January 18, 2010 on January 27, 2010. The appeal was heard by the Literature Review Committee at their February 04, 2010 meeting. The committee upheld the rejection of January 07, 2010 and denied your appeal at that meeting.

The reason stated for that denial was that the publication is dangerously inflammatory in that it advocates and encourages disruption of the institution and violation of department and institution rules.

Loose pages of material are not considered publications under rule 33-501.401 and will continue to be dealt with under the mail rule. If more than 15 pages are enclosed the material will be returned.

If I may be of further assistance please feel free to contact me.

Sincerely,

A handwritten signature in cursive script, appearing to read "Frank Ontko".

Frank Ontko,
Library Program Specialist
Literature Review Committee Chairman
