OFFICE OF INVESTIGATIONS  
AND INTELLIGENCE

JUN 18 2019

WABASH VALLEY  
CORRECTIONAL FACILITY

INDIANA DEPARTMENT OF CORRECTION  
REQUEST FOR INTERVIEW

TO: Barbara Brock OFFICE: "Intelligence Analyst" DATE: 6/17/19  
NAME: [REDACTED] DOC#: [REDACTED] DORM: SCU ASSIGNMENT: B109

Reason for request (be as definite as possible): An M.T.M. publication was confiscated (confiscation # 1045) by you upon arrival due to what you claim is STG. Historical reference to what you people consider STG is not a legitimate threat to the safety or security of the facility. For one, the Black Panther Party is a political party, not a gang, but I don't expect you hillbillies to know that. And an historical reference to even an actual security threat group doesn't constitute a legitimate security concern. You are engaging in actual political censorship, a violation of my 1<sup>st</sup> amendment right, which as a prisoner, I still retain.  
\*\*\*DO NOT WRITE BELOW THIS LINE\*\*\*

Action: Disallowed per Policy 02-03-105, STG. No tolerance references & talks about Blacks, Crips, & Black Panther Party  
All recognized STG in the IDoc
