**ADMINISTRATIVE REVIEW ONLY FOR WRITTEN OR PICTORIAL CONTENT**

Pursuant to OAR 291-131-0050, a sender who has received a Publication Violation Notice for written or pictorial content may obtain an independent review of the rejection of correspondence by writing to the functional Unit Manager or designee at the above address, and requesting an administrative review. A request for an administrative review must be in writing and received within 30 days of the date of the notice, and should specify the reason(s) why the rejection should not be sustained. No administrative review shall be afforded if the rejection is based on the presence of an unauthorized attachment, substance or enclosure on or with the mail, or if the rejection is based on any violation not related to the written or pictorial content. The intended inmate recipient shall receive the same standards as the sender except shall specify the type of violation (publication), date of the violation, and issue date of the publication with the request for administrative review. If the sender is an inmate and mail is violated, the intended recipient shall not be notified of the rejection and shall not be eligible for an administrative review.
