POLICY STATEMENT:

Mail to and from prisoners in a Correctional Facilities Administration (CFA) or Field Operations Administration (FOA) facility shall be processed as set forth in this policy.

RELATED POLICIES:

- 04.02.105 Prisoner Funds
- 04.02.120 Indigent Prisoners
- 04.07.112 Prisoner Personal Property

POLICY:

DEFINITION

- A. Mail - Any written, typed or printed communication of information, including magazines, catalogs, books and photographs. Stamps, stickers, and similar items do not communicate information and thus are not considered mail for purposes of this policy even if delivered through the mail.

GENERAL INFORMATION

- B. Where in conflict with this policy, PD 05.01.142 "Special Alternative Incarceration Program" or PD 06.03.104 "Technical Rule Violation Program" control for prisoners in the Special Alternative Incarceration Program (SAI) or the Technical Rule Violation Program, as applicable.
- C. For purposes of this policy, "prisoner" includes parolees in a corrections center or Technical Rule Violation Center (TRV), subject to Paragraph B.
- D. Prisoners shall be permitted to send and receive uncensored mail to or from any person or organization unless the mail violates this policy or Administrative Rule 791.6603. Mail shall not be prohibited solely because its content is religious, philosophical, political, social, sexual, unpopular or repugnant. However, mail shall be prohibited if it is a threat to the security, good order, or discipline of the facility, may facilitate or encourage criminal activity, or may interfere with the rehabilitation of the prisoner. This includes the following:
 1. Mail violating federal or state law.
 2. Mail violating postal regulations.
 3. Mail containing physical contraband, which is defined as any property that a prisoner is not specifically authorized to possess or that is from an unauthorized source. This includes postage stamps, except that a prisoner may receive a single stamped self-addressed envelope from an attorney, a court or a legitimate religious organization.
 4. Mail containing a criminal plan or conspiracy.

5. Mail containing threats.
 6. Mail addressed to anyone who has objected to receiving mail from the prisoner sending the mail. This only applies after the prisoner has been notified of the objection. A prisoner who continues to send mail to a person who has objected to receiving mail from that prisoner after receiving notice of the objection also may be subject to discipline in accordance with PD 03.03.105 "Prisoner Discipline".
 7. Mail for the purpose of operating a business enterprise from within the facility.
- E. Prior to rejecting mail for violation of this policy, the prisoner is entitled to a fact-finding hearing conducted pursuant to Administrative Rule 791.3310 unless otherwise specifically stated in this policy.
- F. Law enforcement officials shall be contacted immediately through the appropriate chain of command if mail addressed to or sent by a prisoner contains evidence of illegal activity. Upon request of a law enforcement official and approval of the facility head, notices required to be issued and hearings required to be conducted pursuant to this policy may be delayed for a reasonable length of time to allow for a criminal investigation.

WRITING MATERIALS AND POSTAGE

- G. Each CFA facility shall have available a reasonable quantity of free writing materials (i.e., pencils or pens; paper) for use by prisoners. A reasonable quantity of free standard-size envelopes (e.g., 3 5/8" x 6 1/2"; 4 1/8" x 9 1/2") also shall be available for use by prisoners, as necessary. Envelopes shall be pre-printed with the name and return address of the facility.
- H. Additional writing materials, including typing paper for legal work, carbon paper, envelopes and postage shall be available for prisoner purchase in CFA facilities as set forth in PD 04.02.130 "Prisoner Store". Funds to purchase a reasonable quantity of carbon paper and over-sized envelopes of a sufficient size to mail legal materials (e.g., 10" x 15"; 15" x 20") shall be loaned to a prisoner who lacks sufficient funds to purchase such items in the prisoner store, and to prisoners in any form of segregation other than protective segregation, upon demonstrated proof by the prisoner that the items are for litigation. In CFA, the funds shall be loaned by the Prisoner Benefit Fund (PBF). The cost of envelopes and carbon paper provided shall be considered an institutional debt and collected as set forth in PD 04.02.105 "Prisoner Funds". Funds collected to repay a loan from a PBF shall be returned to that PBF.
- I. A prisoner on indigent status pursuant to PD 04.02.120 "Indigent Prisoners" shall be loaned postage as set forth in that policy.
- J. Additional first class postage shall be loaned to prisoners who lack sufficient funds to send mail to a court, an attorney, or a party to a lawsuit due to pending litigation. This includes the initial filing and service of a lawsuit. The cost of certified mail shall be loaned only if the prisoner is required by court order to use certified mail. Postage shall be loaned to prisoners on indigent status pursuant to this paragraph only after the prisoner has used all postage available pursuant to Paragraph I.
- K. Additional first class postage also shall be loaned to prisoners who lack sufficient funds to send a grievance to another facility, or a Step III grievance or a Request for Rehearing to Central Office. Postage shall be loaned for these purposes only if there is not a Department of Management and Budget (DMB) interdepartment mail run available and the mail must be posted before the prisoner will receive postage pursuant to Paragraph I.
- L. A prisoner requesting a postage loan pursuant to Paragraph J or K may be required to present the mail unsealed to staff to verify that it qualifies for the loan. In such cases, staff shall read only those sections of the mail that are necessary to make this determination; the mail shall not be read in its entirety. In CFA, the cost of any postage loaned to the prisoner shall be borne by the PBF. Any postage loaned

shall be treated as an institutional debt and collected as set forth in PD 04.02.105 "Prisoner Funds". Funds collected to repay a loan from a PBF shall be returned to that PBF.

- M. Prisoners shall not be loaned postage for any reason other than as set forth above.

PRISONER OUTGOING MAIL

- N. Each facility shall offer prisoners outgoing mail service through the U. S. Postal Service. The facility also may offer outgoing mail service for oversize or overweight mail, including packages, through a legitimate alternate carrier. Except as set forth in Paragraphs I through L, prisoners shall be required to pay the cost of postage for any mail service used.
- O. A prisoner in a CFA facility shall be permitted to send air, certified and foreign mail, and mail that weighs more than two ounces, via disbursement. Mail that a prisoner is sending via disbursement that is clearly identified as being to a court, an attorney or a party to a lawsuit due to pending litigation, including the initial filing and service of a lawsuit, shall be processed as soon as possible. This includes mail being sent via disbursement to a court, an attorney or a party to a lawsuit pursuant to Paragraph I or J. An expedited process for such mail shall be established by the CFA Deputy Director by which prisoners may have such mail processed within two business days after initial receipt by Department staff. The expedited process also shall be available to prisoners to send mail to a court or court reporter to request a transcript of the prisoner's court proceeding and to legal service organizations (e.g., Prison Legal Services, State Appellate Defender Office, Michigan Appellate Assigned Counsel System). The prisoner may be required to present the mail unsealed to staff to verify that it qualifies for expedited handling. In such cases, staff shall read only those sections of the mail that are necessary to make this determination; the mail shall not be read in its entirety.
- P. Prisoners may use DMB interdepartment mail runs, in facilities where such service is available, to send postage-free mail to staff in other facilities serviced by interdepartment mail runs and to Central Office. DMB interdepartment mail runs shall not be used by prisoners for any other purpose. Mail designated for delivery through a DMB interdepartment mail run in violation of this policy shall be returned to the prisoner and not processed for mailing.
- Q. There is no limit on the amount of outgoing mail a prisoner may send, except that prisoners in a CFA facility are allowed to purchase and possess metered envelopes only in the quantities set forth in PD 04.07.112 "Prisoner Personal Property" and OP CFA 04.02.130 "Purchase of Metered Envelopes". Outgoing mail must contain the prisoner's first and last name and identification number, and the name and address of the facility at which the prisoner is housed as the return address, on the envelope. Envelopes pre-printed with the name and address of a facility shall be corrected as necessary when mailed from a different facility. The envelope shall not be considered altered solely due to the prisoner correcting this information. The correct information also may be stamped or written on the envelope by staff prior to mailing. Mail which does not contain at least the prisoner's name and identification number may be destroyed.
- R. General population prisoners, including prisoners in Field Operations Administration (FOA) facilities, and prisoners in protective segregation shall be permitted to send sealed mail, subject to Paragraphs D, L, O, S, T and U. Outgoing mail of prisoners in any form of segregation other than protective segregation shall not be sealed and shall be inspected by staff prior to mailing. However, mail that is clearly identified as being sent to the business address of one of the following may be sealed by the prisoner and shall not be opened or otherwise inspected by staff prior to mailing, unless the entity has specifically objected in writing to receiving mail from the prisoner sending the mail, and subject to Paragraphs D, L, O, S, T and U:
1. A licensed attorney, including the Attorney General, an assistant attorney general, a prosecuting attorney, and an attorney of a legitimate legal service organization (e.g., American Civil Liberties Union, Prison Legal Services, State Appellate Defender Office).

2. State or federal courts.
 3. Federal, state or local public officials.
 4. The Director or any other Central Office staff.
 5. Staff at the institution in which the prisoner is segregated.
 6. Representatives of the news media, being persons who are primarily employed to gather or report news for any of the following:
 - a. A newspaper of general circulation in the community in which it publishes;
 - b. A magazine of statewide or national circulation that is sold at newsstands or by mail to the general public;
 - c. A radio or television station which is licensed by the Federal Communications Commission.
- S. Outgoing mail of any prisoner may be opened and inspected if it is determined by the facility head or designee that there are reasonable grounds to believe the mail is being sent in violation of Paragraph D. However, mail which is clearly identified as being sent to the business address of one of the following may be sealed by the prisoner and shall not be opened or otherwise inspected by staff prior to mailing, unless the entity has specifically objected in writing to receiving mail from the prisoner sending the mail or as required pursuant to Paragraph L, O or U:
1. A licensed attorney, including the Attorney General, an assistant attorney general, a prosecuting attorney, and an attorney of a legitimate legal service organization (e.g., American Civil Liberties Union, Prison Legal Services, State Appellate Defender Office).
 2. State or federal courts.
 3. Federal, state or local public officials.
 4. The Director or any other Central Office staff.
 5. Staff at the institution in which the prisoner is housed.
- T. Except as set forth in Paragraph F, if it is determined that a prisoner's outgoing mail may violate Paragraph D of this policy and that the mail therefore will not be sent, the prisoner shall be issued a notice of the alleged violation and a hearing shall be conducted pursuant to Administrative Rule 791.3310. The hearing officer shall not be the person who issued the notice. If a violation is established at the hearing, the mail shall be turned over to law enforcement authorities, if it appears to be in violation of state or federal law, or destroyed.
- U. If it is determined that a prisoner's outgoing mail cannot be processed due to insufficient postage, failure of the prisoner to sign a disbursement authorization, or other reason unrelated to the content of the mail, the mail shall be searched in the same manner as incoming mail prior to its return to the prisoner.

PRISONER INCOMING MAIL

- V. Staff shall only accept mail that has been delivered from a legitimate commercial carrier (e.g., U. S. Postal Service, United Parcel Service) or through DMB interdepartment mail runs as provided for in this policy. Staff shall not accept mail for prisoners left at the facility by members of the public, including prisoner family members and visitors, except that attorneys may be permitted to deliver legal mail to prisoners pursuant to standards issued by the CFA Deputy Director.

-----------------------------------	------------------------------	---------------------	--------------

- W. Prisoners shall not be permitted to receive mail identified as being sent "bulk rate" or "pre-sorted standard", as indicated by the U. S. Postal Service marking, unless it was sent from a federal or state agency or a court, is a catalog allowed pursuant to Paragraph Z, is a publication received from the publisher or an authorized vendor pursuant to Paragraph Y, or is correspondence course material approved pursuant to PD 05.02.119 "Correspondence Courses". All other mail identified by the U. S. Postal Service marking as being sent "bulk rate" or "pre-sorted standard" may be discarded upon receipt by the facility without notice to the prisoner.
- X. If mail is received in an envelope that is padded, corrugated, or otherwise cannot be effectively searched, the envelope may be discarded after a copy of the envelope is made showing the name and address of the sender and postmark. The copy shall be delivered to the prisoner instead of the original envelope, along with an explanation of why the copy was provided.
- Y. Prisoners shall be permitted to receive books, magazines and other publications only if ordered by a member of the public from an internet vendor identified in Attachment A or from the publisher and sent directly to the prisoner by the vendor or publisher, ordered by the prisoner from a vendor identified in Attachment B or from the publisher and sent directly to the prisoner from the vendor or the publisher, or, if the prisoner is approved to take a correspondence course pursuant to PD 05.02.119 "Correspondence Courses", sent directly from the approved correspondence school. All prisoner orders must be through established facility ordering procedures. Under no circumstances shall prisoners in a correctional facility be permitted to order a publication from an internet vendor.
- Z. Prisoners in a CFA facility or a TRV shall not be permitted to receive retail or wholesale catalogs through the mail, except that a prisoner in a CFA facility who is permitted to possess a catalog pursuant to PD 04.07.112 "Prisoner Personal Property" may receive a catalog sent directly from a vendor approved at that facility as a source of allowable prisoner personal property. Unauthorized catalogs may be discarded upon receipt by the facility without notice to the prisoner. Prisoners in corrections centers are permitted to receive catalogs unless prohibited by the supervisor of the corrections center.
- AA. Unless transmitted by or on behalf of the Department, mail received via facsimile machine or electronic mail ("e-mail") for a prisoner may be destroyed upon receipt instead of being delivered to the prisoner, unless it is clear from the mail that it conveys emergency information (e.g., imminent death of family member) and the facility head authorizes delivery. If the mail is not delivered and the sender's address is sufficiently identified in the transmittal, the sender shall be notified by mail that the mail received via facsimile was not delivered due to the method of transmission. Subsequent transmittals by the same sender may be destroyed without notification to the sender.
- BB. All incoming mail for prisoners must be clearly identified with the recipient's name and prisoner identification number to ensure proper delivery. Incoming mail which does not clearly identify the recipient may receive delayed processing or, if the recipient cannot be adequately identified, may be returned to the sender.
- CC. All incoming mail that is not receiving special handling pursuant to Paragraphs DD and EE shall be opened in one location at each facility and inspected at that location to determine if it contains money, controlled substances or other physical contraband. All physical contraband shall be confiscated prior to delivery of the mail to the prisoner. The mail's written content also shall be skimmed and, if it appears from skimming the content that the mail may violate this policy, the item shall be read to determine if it is allowed. All incoming mail from one prisoner to another shall be read.

SPECIAL HANDLING OF LEGAL MAIL

- DD. A prisoner may have his/her incoming legal mail receive special handling as set forth in Paragraph EE by submitting a written request to the institution's mailroom supervisor, camp Assistant Deputy Warden, or corrections center Supervisor or designee, as appropriate. Only mail from an attorney or law firm, a legitimate legal service organization, a non-prisoner paralegal working on behalf of an attorney, law

DOCUMENT TYPE POLICY DIRECTIVE	EFFECTIVE DATE 01/01/2006	NUMBER 05.03.118	PAGE 6 OF 11
-----------------------------------	------------------------------	---------------------	--------------

firm, or legal service organization, the Department of Attorney General, a prosecuting attorney's office, a court, a clerk of the court, or a Friend of the Court office shall receive this special handling, and only if the mail is clearly identified on the face of the envelope as being from one of the above. It is not sufficient for the envelope to be simply marked "legal mail".

- EE. Incoming legal mail for a prisoner who has requested special handling of legal mail pursuant to Paragraph DD shall be opened and inspected for money, controlled substances and other physical contraband in the prisoner's presence. The content of the mail shall not be read or skimmed. All physical contraband shall be confiscated prior to delivery to the prisoner. In CFA, written documentation shall be maintained regarding the delivery of legal mail to prisoners who have requested special handling of the mail. The documentation shall include the date the mail was received in the mailroom, the sender's name, the prisoner's name and number, the date the mail was given to the prisoner and the prisoner's signature acknowledging receipt of the mail. If the prisoner refuses to sign or accept the mail, that shall be documented and the mail delivered to the prisoner.
- FF. Each prisoner received at a reception facility shall be asked if s/he wants his/her legal mail to receive special handling as outlined in Paragraphs DD and EE. If the prisoner does not request special handling at that time, s/he shall be told that s/he may submit a request to the institutional mailroom supervisor, camp Assistant Deputy Warden or designee, or Community Residential Program (CRP) Supervisor or designee, as appropriate, at any time during his/her incarceration.
- GG. A request for special handling of legal mail shall be entered on the Department's computerized database (e.g., CMIS, OMNI) within two business days after receipt. A prisoner shall not be required to renew his/her request upon transfer within CFA; appropriate staff at the receiving facility shall be responsible for determining if there is a request for special handling of legal mail.

PROHIBITED INCOMING MAIL

- HH. Prisoners are prohibited from receiving mail that is a threat to the security, good order, or discipline of the facility, may facilitate or encourage criminal activity, or may interfere with the rehabilitation of the prisoner. The following pose such risks within a correctional facility under all circumstances and therefore shall be rejected:
1. Mail containing specific information regarding the manufacture or operation of electronic security systems, weapons, explosives, ammunition, or incendiary devices.
 2. Mail depicting or describing procedures for manufacturing poisons, alcoholic beverages or controlled substances.
 3. Mail advocating or promoting the violation of state or federal laws.
 4. Mail advocating or promoting violence, group disruption or insurrection.
 5. Mail describing or depicting sexual acts between persons of the same sex who also are the same sex as the prisoners in the facility at which the mail is received. This does not include small advertisements in a publication sent directly from the publisher or an authorized vendor.
 6. Mail describing or depicting acts of sadism, masochism, bondage, or bestiality, or describing, depicting or appearing to promote sexual acts involving children. This does not include small advertisements in a publication sent directly from the publisher or an authorized vendor except if the advertisement depicts or appears to promote sexual acts involving children.
 7. Mail advocating racial supremacy or ethnic purity or attacking a racial or ethnic group, which is reasonably likely to promote or cause violence or group disruption in the facility.
 8. Mail providing detailed instruction in the martial arts such as judo, karate, aikido, kendu, kung fu

and similar techniques.

9. Subject to Paragraph Y, a book, magazine, newspaper, or other publication that is not received directly from the publisher, an Internet vendor identified on Attachment A, a vendor identified on Attachment B, or, if the prisoner is approved to take a correspondence course pursuant to PD 05.02.119 "Correspondence Courses", directly from the approved correspondence school. This does not apply to an article or a few pages, or copies of a few pages, from a publication that may be included with a letter or other mail, unless it is reasonably believed to be an attempt to circumvent this restriction. Retail and wholesale catalogs are specifically addressed in Paragraph Z.
10. A used publication.
11. A publication received on a credit basis; e.g., from a book club. This does not apply if the publication is completely pre-paid and receipt does not obligate the prisoner to make future credit purchases.
12. Mail encouraging or providing instruction in the commission of criminal activity.
13. Mail containing a provocative or scurrilous attack on any religion or religious group. This does not include a thoughtful and rational discussion of religious beliefs or differences between religions.
14. Nude photographs, except if included in a publication sent directly from the publisher or an authorized vendor. Nude photographs are defined as any photograph exposing the female or male buttocks, pubic area or genitalia, or the female breast below the top of the areola. This includes exposure through "see through" materials.
15. Photographs depicting actual or simulated sexual acts by one or more persons. This includes photographs in a publication sent directly from the publisher or a vendor authorized by the facility.
16. Official photographs of a victim at a crime scene or depicting injuries to a victim sustained as a result of a crime that were taken for purposes of criminal investigation or prosecution. This includes photographs of the autopsy of a victim.
17. Mail depicting, encouraging, or describing methods of escape from a correctional facility. This includes blueprints, drawings, or similar detailed descriptions of correctional facilities, courthouses, and medical care facilities, and detailed roadmaps of Michigan, any state contiguous to Michigan, or the Province of Ontario, Canada.
18. Mail written in code, or in a foreign language that cannot be interpreted by institutional staff to the extent necessary to conduct an effective search. If facility staff are not available, the facility head may authorize the use of another reliable interpreter. Prisoners shall not be used as interpreters.
19. Mail that is known to contain personal information about an employee or an employee's family, unless it is sent by the employee and the employee is related to the prisoner by blood or marriage, or is provided with the approval of the Administrator of the Office of Audit, Internal Affairs and Litigation or designee for pending litigation. This includes personal information published in newspapers.
20. Mail that is taped, pasted or otherwise joined to another item in a manner which prevents an effective search. This does not apply to a visiting room photograph that is being returned directly from a copying service to the prisoner who sent the photograph to the service to be copied, provided it was sent in accordance with institutional procedures.

-----------------------------------	------------------------------	---------------------	--------------

21. Mail containing a foreign substance which prevents an effective search or which contains an unknown substance. If the substance is suspected of being a controlled substance, the mail shall be turned over to law enforcement officials as set forth in Paragraph F.
 22. Mail depicting a sign or symbol of a security threat group designated pursuant to PD 04.04.113 "Security Threat Groups".
 23. Mail regarding actions that can be taken under the Uniform Commercial Code (UCC) which could be used to harass or threaten another individual, including the filing of a lien against the individual. This does not include legal materials which set forth the statute or provide a scholarly legal analysis of the UCC.
- II. If any written material, picture or photograph contained within a publication is believed to be in violation of this policy, the entire publication shall be rejected. However, if the written material, picture or photograph is in a section of a newspaper that is not stapled or otherwise affixed to the rest of the newspaper, only that section of the newspaper shall be rejected. The rest of the newspaper shall be delivered to the prisoner.
- JJ. Whenever mail addressed to a prisoner is believed to be in violation of this policy, a Notice of Package/Mail Rejection (CSJ-316) shall be completed and promptly sent to the prisoner. The Notice shall identify the specific item believed to be in violation of this policy and why the item is believed to be in violation. A copy of the Notice shall be sent to the person or entity who sent the mail, if a return address is identified.
- KK. Unless the prisoner waives his/her right to a hearing in writing, and the prisoner and staff agree on the appropriate disposition of the mail, a prompt hearing shall be conducted pursuant to Administrative Rule 791.3310 to determine if the mail violates this policy for the reason(s) identified in the Notice of Package/Mail Rejection and, if so, the appropriate disposition of the mail. The hearing officer shall not be the person who issued the Notice. Mail may be disposed of only as set forth below.
- LL. If a hearing is conducted, an Administrative Hearing Report (CSJ-144) shall be completed by the hearing officer. The prisoner shall be provided the opportunity to review the mail or a copy of the mail at the hearing unless the review itself would threaten the order and security of the facility, encourage or provide instruction in criminal activity, or interfere with the rehabilitation of the prisoner. If the prisoner is not permitted to review the mail or a copy of the mail at the hearing, the hearing officer shall state the reason for that decision on the Administrative Hearing Report.
- MM. If the hearing officer finds that the mail does not violate this policy, the mail shall be promptly delivered to the prisoner. If the hearing officer finds that the mail violates this policy, the hearing officer shall determine the appropriate disposition of the mail as set forth in Paragraph VV. The disposal option chosen by the hearing officer shall be specifically stated on the Administrative Hearing Report. The hearing officer may take into consideration the prisoner's choice of disposition in making that determination.
- NN. Whenever a hearing officer finds that a newspaper, magazine, book or other publication violates this policy based on its written or pictorial content, the publication shall be submitted in a timely manner to the facility head along with a copy of the Notice and the Administrative Hearing Report. If the facility head does not agree that the publication violates this policy based on its content, that decision shall be noted on the Administrative Hearing Report and the publication promptly delivered to the prisoner with a copy of the facility head's decision. If the facility head agrees that the publication violates this policy based on its written content or depicts a sign or symbol of a security threat group, s/he shall proceed as set forth in Paragraph PP. In all other cases involving pictorial content of a publication, the facility head shall make the final decision; the facility head may maintain a list of publications rejected under his/her authority due to pictorial content.

-----------------------------------	------------------------------	---------------------	--------------

- OO. An item other than funds that is received through the mail at a CFA facility which is alleged to be contraband, but does not meet the definition of "mail" pursuant to this policy, shall be treated as property and processed as set forth in PD 04.07.112 "Prisoner Personal Property". However, free promotional items (e.g., compact discs; make-up samples) that are not authorized property pursuant to PD 04.07.112 that are attached to a publication, and fasteners holding mail together, may be removed and discarded upon receipt by the facility without notice to the prisoner if the item can be easily removed without risk of damage to the publication. If a fastener is removed that was holding mail together, the mail shall be securely sealed prior to delivery to the prisoner. Funds received through the mail shall be processed as set forth in PD 04.02.105 "Prisoner Funds".

RESTRICTED PUBLICATIONS LIST

- PP. If the facility head concurs with the hearing officer's decision that a publication violates this policy based on its written content or depicts a sign or symbol of a security threat group, the facility head or designee shall promptly submit copies of the Notice, the Administrative Hearing Report, the publication's cover, and a representative sampling of the specific sections of the publication found to be in violation of this policy to the CFA Deputy Director for a final determination as to whether the publication violates this policy. The facility head shall be notified of the decision. The facility head shall ensure that the prisoner is notified of the decision and, if the CFA Deputy Director does not agree that the publication violates this policy, ensure that the publication is promptly given to the prisoner.
- QQ. If the CFA Deputy Director agrees that a publication violates this policy for the reason(s) identified in the Administrative Hearing Report, it shall be placed on the Restricted Publications List. The Restricted Publications List shall be maintained by the CFA Deputy Director or designee and distributed to all Wardens and FOA Regional Administrators.
- RR. Once a publication is placed on the Restricted Publications List, it shall be rejected at all facilities without the need for a hearing to determine the basis for the rejection removed, unless otherwise indicated on the Restricted Publication List. If a facility head maintains a list of publications rejected under his/her authority due to pictorial content pursuant to Paragraph NN, a publication placed on that list also shall be rejected at that facility without the need for a hearing. However, a Notice of Package/Mail Rejection shall be completed whenever a publication on the Restricted Publications List or the list maintained by the facility head is subsequently received for a prisoner. Copies of the Notice shall be sent to the prisoner and to the person or entity that sent the publication, if a return address is identified. The Notice shall identify the publication and state that the publication will not be delivered because it is on the Restricted Publications List or the list maintained by the facility head, as applicable.

APPEAL OF REJECTED MAIL

- SS. A prisoner who disagrees with the outcome of a hearing may file a grievance as set forth in PD 03.02.130 "Prisoner/Parolee Grievances"; if the publication was referred to the CFA Deputy Director for a final determination pursuant to Paragraph PP, the grievance should not be filed until a final determination has been made.
- TT. Within ten business days after the date of the Notice, the sender may appeal the proposed rejection by sending a letter to the facility head. An appeal received by any other facility staff shall be referred to the facility head as soon as possible. If the mail was referred to the CFA Deputy Director pursuant to Paragraph PP, the facility head shall not respond to the sender until a decision is made by the CFA Deputy Director. If the mail was rejected because it was already on the Restricted Publications List, the sender's appeal shall be forwarded to the CFA Deputy Director through the appropriate chain of command for review. In all circumstances, the sender shall be notified in writing whether the appeal is granted or denied. If the appeal is granted, that decision shall be noted on the Administrative Hearing Report and the mail promptly delivered to the prisoner.

DISPOSITION OF REJECTED MAIL

- UU. Prior to disposal, rejected mail shall be retained at the facility for at least 15 business days after the date of issuance of the Notice of Package/Mail Rejection or hearing, whichever is later. However, if a publication was referred to the CFA Deputy Director pursuant to Paragraph PP, it shall be retained at the facility until a final decision is made by the CFA Deputy Director; If the CFA Deputy Director determines that the publication violates this policy, the publication shall be retained at the facility until the prisoner has exhausted the grievance process. If the sender appeals the rejection, the mail shall not be disposed of until after a response to the appeal is sent. If the mail violates state or federal law, it shall be turned over to appropriate law enforcement and only a copy retained.
- VV. After retention for the period set forth in Paragraph UU, rejected mail shall be disposed of by one of the following means as determined by the hearing officer or as indicated by the prisoner on the Notice of Package/Mail Rejection if a hearing is not required pursuant to Paragraph KK or RR of this policy:
