

WE DEMAND END TO CENSORSHIP FOR POLITICAL REASONS IN TX PRISONS!

In recent months your department has censored mail to those it holds in prison, including information on the lawful boycott of the federal holiday of Juneteenth, tools for those struggling with addiction, and the TDCJ's own operation manuals. None of these materials pose a threat to safety, which is the only legal reason for censoring mail to prisoners.

I am writing to implore you to follow the law and stop the politically-motivated censorship of mail within the TDCJ.
